Audio Intervention. \_\_\_\_\_ Easter Seals Intervention \_\_\_\_\_

First Five Intervention. \_\_\_\_\_ M

My child goes to Day Care in addition to Children's World. \_\_\_\_\_

Where \_\_\_\_\_

Our staff will be evaluating each child in October to see what areas we, as educators, can help in providing the best education/experience possible for your child. Their teacher, in the developmental areas of their age group, will assess your child. Once assessment is completed, information will go home. If you or the teacher have any questions at that time, a conference can be called.
